WHAT'S ON IN WATERPARK

CARAs Ready ✓

Our CARAs travelled on Tuesday to Sheilbaggan Outdoor Education Centre in Wexford for their team bonding day. The students worked on ice breaker tasks and problem solving before hitting the high ropes. They built friendships and trust with one another that will be invaluable when carrying out their roles as CARAs for the 1st years. They are ready to start and will meet the 1st years next week.

TY Trip

TY's had their first bonding trip of the year this week as all 4 classes took a trip to @dunmoreadventure

A morning of water activities included kayaking, stand up paddleboarding and the Wibit.

Land activities took place after lunch with climbing, caving and archery.

A great fun start to the year.
